# 尚月地

She's the  
most popular  
dancer right  
now

Tickets were  
hard to get~

I've  
been  
looking  
forward  
to this!

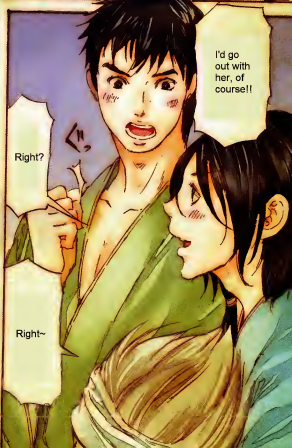

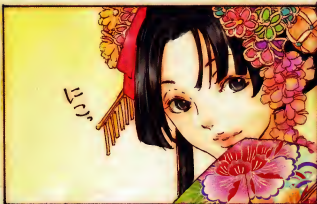

Is about  
to start!!

Kaen's  
dance

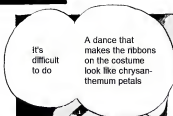

It's  
starting!

Listen,  
Shiro

Well...

That's rare,  
it's a girls  
dance

Just a  
little

Oh?  
You've  
done it  
before?

Learn every  
dance that  
you can

I'll teach  
them to you

Our  
current  
weapon  
is charm

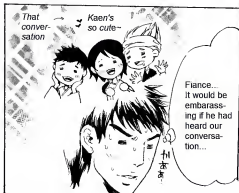

I learned  
it for no  
particular  
reason...

Anyway,  
Kaen's  
really  
good

I see...

Fiance...  
It would be embarrassing if he had heard our conversation...

Is he Kaen's fiance?

He's not staying until the end of the show?

They were all impressive!

Every performance was good!

But Kaen's was the best, wasn't it?

Thank you for coming

We are now closed for the day

It looks like members of the theater group

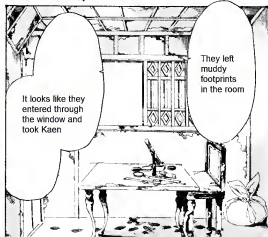

What's going on?

Oh, no!!  
Call the police!!

What did you say?!

Does she have any enemies?

Does anyone have any ideas?

Yes! She's very picky about her things

She would never leave them lying around

Are you sure she's missing?

You got a problem?

High and mighty

She's talented, but she's rude

It's easy to hate her

To be honest, she has a lot

In contrast to her appearance, she's headstrong

We need to cooperate with the investigation

This is not the time to speak ill of Kaen

Hey, don't say those kind of things in front of the officers!!

That's right, and she played men

She even used and dumped the director

Exactly

Ignore them!

She didn't seem to care...

I can't worry about that

The letters from Anju were always creepy...

I told Kaen, but...

What?

He was interested in the Chrysanthemum Dance and said he would marry Kaen soon...

I just remembered...

The man sitting next to me

Something rotten

I didn't get a good look...

The theater was dark

What did he look like?

He might have been Anju

Also... He smelled like...

I'd say he was of medium height and medium build

He sounded like he's in his twenties

Don't be  
afraid  
He's my  
friend

It  
stinks!!

That thing is  
disgust-  
ing!!

Keep  
it way  
from  
me!!

Why  
did you  
kidnap  
me!?

What are  
you doing?

He has an  
illness...

I said I'd  
marry you

What? I  
sent you  
a letter,  
didn't I?

You recognized me...

So you picked up my wallet, right!?

I told you what I look like in the letters, didn't I?

I said I was the one with the glasses and hat...

And...

You don't have to pretend

Huh!?

What the hell!?

It was a coincidence!!

I just picked up a wallet that had fallen in front of me!!

It isn't like you

The way you've been talking

I'd forgotten that had even happened!!

You're kind and graceful

I know you

Not like me?

He's not listening  
to anything I say!!

It's no use

He's delusional

I see...

This is  
textbook

The  
delusional  
perpetrator

Sao-  
tome  
Home

They're in  
love with a  
imaginary  
person

Well...  
To say  
the least

What  
type of  
criminal  
is that?

Anju's  
probably...

Yes... But  
not quite

Imaginary?  
Kaen is a  
real person

And created  
a version of  
her in his  
delusions

Added  
traits that  
he likes in  
women

Taken what he  
thinks of her

The more the  
target resists  
the more the  
criminal insists

No...

Wouldn't he  
realize the  
truth if he  
just talked  
to her?

That's  
crazy...

In a  
good  
mood  
because  
dance  
went  
well

On top of  
that, he  
thinks her  
every action  
is a result of  
himself

She's in a good  
mood because  
I'm here

He'll think of  
obstacles as  
challenges

He'll try to  
overcome her  
opposition

Anju won't listen to anything Kaen says

In other words...

He'll reply "you don't really think that"

He so strongly believes in his delusions

He'll ignore what she actually tells him

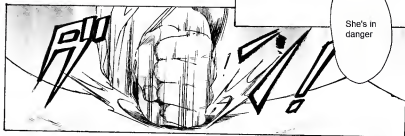

If Kaen doesn't do what he wants...

This criminal is the forceful type

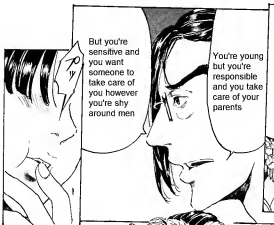

if a man like that has taken Kaen...

What will happen to her?

She's in danger

But you're sensitive and you want someone to take care of you however you're shy around men

You're young but you're responsible and you take care of your parents

I know you...

Why do you keep denying?

It's a lie!!

The Director made that up

You say take care of my parents

You mean the story of my upbringing?

That I started dancing to provide for them

Hahaha!!

Are you stupid!?

You don't know anything about me!!

What?

I'm  
actually  
25

Since we're on  
the subject,  
they say I'm  
16 years old

Surprised?

A lot of artists lie  
about their age

That can't be!!

25 is too...

In fact

I'm not a virgin

Haven't been  
for a long time

Also

There aren't  
many men in  
the theater  
group who I  
haven't slept  
with...

Stop  
saying  
these  
things...

Stop  
lying...

Are you  
trying to  
hurt me!?

Why are  
you telling  
these  
terrible  
lies?

It looks like you need to be taught a lesson...

Not lying...

S... Stop...

No...

What are you going to do!?

!!

Make her understand...

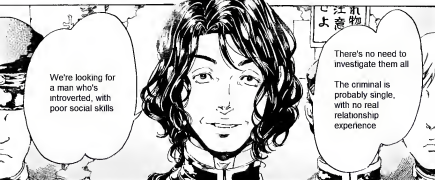

We have no time to lose

The situation is serious

Ahhh!!

I've already  
gotten  
involved...

Besides,  
criminals like  
this make  
me sick...

You shouldn't  
be here...

This is an  
official  
investigation

If Kaen's being  
hidden she won't  
be easy to find...

Damn, it...  
We're not  
getting  
anywhere

You won't  
believe this!!

Kaen wasn't  
just popular  
with men...

Sabu-  
rota!

Kojiro!!  
We've  
got new  
information...

Will you  
accompany  
me to the  
houses of  
the men on  
the list?

Officer,  
I have  
an idea...

We won't  
make any  
progress if  
we continue  
like this...

The officers  
who came  
earlier didn't  
find  
anything...

The entrance  
to the  
basement is  
covered with  
tiles

Thank  
you

This is  
the  
largest  
room

You can  
dance in  
here

That  
thing is  
watching  
Kaen

She  
shouldn't  
make  
any  
sound

We present  
to you the  
Chrysanthemum Dance

Beautiful!!

It's even  
better than  
Kaen's!!

Amazing!!

I've never seen  
such natural  
movement

"You and I  
should become  
one flower",  
right?

You're my  
true angel!!

You're the  
criminal

Those  
senseless  
words  
mean

Your  
voice...

You're  
a boy?

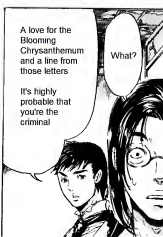

I also smell  
something rotten

Where have you  
hidden Kaen?

A love for the  
Blooming  
Chrysanthemum  
and a line from  
those letters

It's highly  
probable that  
you're the  
criminal

What?

We will  
find her

Confess to  
your crime!!

There's no  
use in lying

If we search  
your entire  
house

Women aren't  
tools for your  
fantasies

Crime!?

What  
crime!?

I want to  
be with her  
because I  
love her!!

You held her  
against her will  
because you  
wanted her

That's not love

What  
have you  
done to  
him?

Shiro-  
kun!!

Shiro-kun!

Are you alright!?

Officer

Damn, it!  
He's...

He was dangerous...

I didn't want  
you to get  
hurt...

Why did  
you stop  
me!?

I'm fine

He bit  
you!!

I'm sorry...

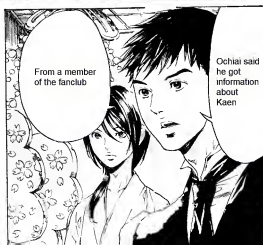

Tell him  
the  
truth...

I couldn't...

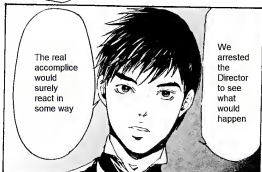

Idiot!!  
Don't under-  
estimate me!

What  
are  
you  
say-  
ing?

You used  
Ochiai to  
do this

You tried to  
make Kaen  
afraid of men

You've  
scarred  
Kaen-  
san for  
life!!

Only you  
didn't  
know how  
dangerous  
Ochiai  
really was

You wanted  
to rescue her  
soon after  
scaring her

You  
provided  
us with  
important  
leads

You only  
like men...

I didn't  
mean for  
you to get  
hurt...

No...

Is this  
true,  
Mimari-  
san...?

I wanted  
you...

I thought I  
could use  
him...

When I  
learned  
that he  
was Anju

I met  
him...

When I  
snuck into  
the fanclub  
undercover  
to see what  
they think

Why did  
you do that  
to me!?

If you  
love me

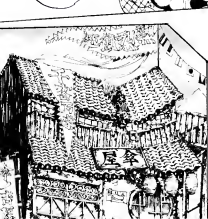

Please  
believe me!!

I love you!!

Yourself!!

The one you  
love most is

The Twenty Fifth Story

do something  
like that

I heard you  
were bitten  
by that man

You  
should  
know

Knows  
about  
our  
clan!!

He...

Unless  
he had  
a reason

Knows  
about  
me and  
Brother!!

You're Peony's  
younger brother,  
aren't you?

He  
even...

He wanted  
your flesh  
and blood  
to heal,  
didn't he?

That he was  
weakened

Hunting  
your kind

We've  
been

Are you  
surprised

That I  
know?

Reading my  
expressions

He's

I see...

What are  
you doing,  
Saotome  
-san!?

Practice  
getting rid  
of your  
expressions

Listen,  
Shiro

Remember  
your training

I met him in  
battle when  
I infiltrated  
the army

No matter  
what they  
say!!

Don't  
tense  
up

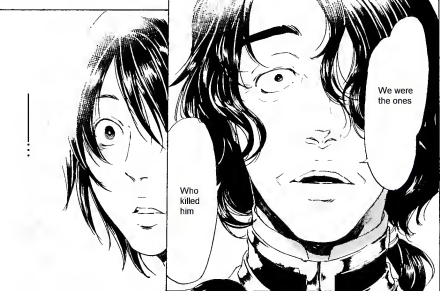

Too

He was a  
beautiful  
boy

He was  
called  
Peony,  
wasn't  
he?

Don't  
tremble

Soften  
your  
eyes

We were  
the ones

Who  
killed  
him

I don't know  
what you're  
talking about,  
but you have  
the wrong  
person!!

Stop it,  
Saotome-san!!

What are you  
doing!?

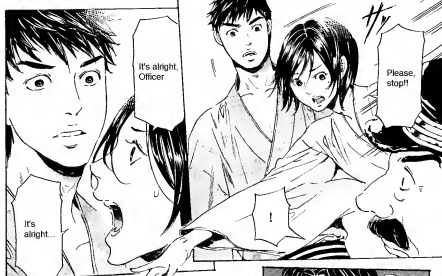

That's  
enough  
from  
you!!

Stay out of  
it, Kojiro!!

I can't  
stand by  
and watch  
this!!

Shiro-kun's  
brother is alive  
and he has a  
different name!!

Killed  
Brother  
that  
brutal  
way?

They were  
the ones  
who...

He rarely  
gets mad

Let's not  
linger any  
longer,  
Run-kun

I can't  
believe  
you would  
do this!!

They did  
that to  
Brother?

What's  
wrong,  
Shiro-  
kun?

Those  
two...

Bye~

That boy was  
surprisingly  
straightforward

It's almost suspicious

Nothing we said angered or frightened him

It's as you say

There were no inconsistencies in his expressions

He was confused from start to end like a normal child

His brother is alive and has a different name

Kojiro said

Because

We also know that he's not White Lily

Call anyone else "Brother"

He wouldn't

We killed Peony for sure

If that kid was really White Lily...

That's right

White Lily and Peony were very close

It's inconceivable that he would

Join with someone else after Peony died

That's right

Also...

I've never seen eyes like that before

It's unsettling how emotion-less White Lily was in battle

It's unthinkable that White Lily would protect anyone but Peony

If he was White Lily he wouldn't have stood up for Kojiro-kun

Shiro had emotions

More than anything

A child who's had his humanity completely destroyed...

I don't think that's possible

White Lily has been missing for three years

Maybe his personality changed

But...

Unless he met a truly outstanding person

Would be unlikely to change

That the person a  
weakened Super  
Human bit would  
be White Lily

It was  
hasty of  
us to  
assume

They're  
probably  
still fighting  
the Super  
Humans

I haven't  
infiltrated  
the army  
lately, but...

It's been three  
years since he  
disappeared...

And is  
waging  
war with  
another nation...

Nobody would  
imagine that the  
government has  
secretly mobilized  
troops

Seitou  
(Starlight)  
is such a  
peaceful  
country

7

They've  
found  
us!!

It's a  
Super  
Human!!

Outsiders  
are so  
stupid

We saw  
you coming  
from miles  
away

That's  
right

I'm Sakura  
Haruzumi of  
the North

Did you think I  
wouldn't notice  
such a large  
number of men  
wandering  
around?

That means

You're right that we control the military

There was someone with him?

The military has found you

This is the end

What are they?

They came out of the sand!!

Of course

Alright,  
Rin'ichi

I don't want  
to get sand in  
my clothes

Leave it  
to me,  
Brother  
Haruzumi!

I have  
high  
hopes  
for you

You're the  
only one I  
can rely on  
after what  
happened  
to Akito

Rin'ichi

He's more  
annoying  
than Akito...

At least he's  
easier to  
use...

Bye

He has  
hope in  
me!!

Thank  
you!

I'll try  
my  
best!!

Right...

Hello,  
Everyone!!

Brother  
Haruzumi  
is so  
wonderful...

The idiot  
only got  
promoted to  
Second  
Younger  
Brother  
because  
Akito  
died...

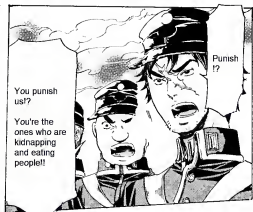

I'm here to  
punish you!!

I'm the North  
Chief's Second  
Younger Brother,  
Izumi Rin'ichi!!

We may be  
evil to you

But you're  
the same  
to us

Punish  
!?

You punish  
us!?

You're the  
ones who are  
kidnapping  
and eating  
people!!

You've cruelly  
sent our  
Brothers to  
their graves

You've been  
persecuting our  
clan for years

Don't think  
we're going  
down without  
a fight!!

Of course!!

You savages  
can't be allowed  
to live

You're a danger  
to everyone else!!

Fire!!

Ow

What's  
this?  
Acid!?

!?

Keep firing!!

Show them  
our will!!

This poison  
was manufact-  
ured by the  
army!!

Show them  
our pride!!

Raise your  
shields!!

What kind  
of Super  
Human can't  
handle a  
regular  
human?!

!!

These idiots  
don't know  
our abilities!!

I can't  
hit it!!

Shoot it  
down  
before it  
explodes  
!!

There are other  
troops in the  
desert!!

When they see  
this they'll know  
where the  
entrance is...

It's no  
use!!

It's over  
for you!!

!?

We're looking at war with a country

The only thing I know is

I hate violence...

The Group is already divided over capturing Shiro and now this fighting with the Outside

Brother Ume!

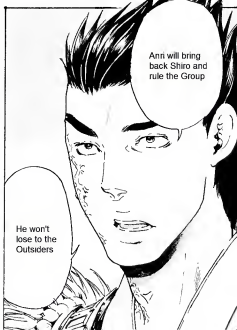

Great...

Right...

What took you so long?

Anri will bring back Shiro and rule the Group

Hello,  
Everyone

And you're

She's a

I see...

That's

She's popular with

Her husband has

She's the wife

She's raised

People are

But...

A younger  
man would  
have been  
better

If status  
and  
wealth  
didn't  
matter

Thank  
you

Any  
way

We've  
arrived,  
Madam

It sure has  
gotten late

I was born into a  
prominent family

My husband is a  
politician

My children are  
gifted

My life is  
a success

!!!

I have a  
glorious  
life ahead  
of me...

Are you listening to me!?

It's about to start~

What is this!?

Where am I!?

Are you the one who kidnapped me!?

There was a girl named Saya

She was hard working and good natured

How tragic!?

!?

Her name was Miyabiko

She was from a prominent family

There was another girl who abused Saya

She was more beautiful than Miyabiko

She was the daughter of a merchant

Saya was smarter than everyone

She became the target of Miyabiko and her followers

Saya was from a lower class

My hand slipped

I'm sorry, Saya-san

Why...  
How...

It's terrible

Did you make that, Saya-san?

Miyabiko was malicious and devious

You need to fix it

Let me undo it for you!

They tormented Saya to please Miyabiko

She let her followers do all the work

She never got her hands dirty

She never  
got in  
trouble

Miyabiko  
always  
planned  
a way  
out for  
herself

Are you  
alright,  
Saya-san?

Miyabiko  
was the  
real leader

But she  
pretended  
to care  
about Saya

Things got  
out of control

Bullying was  
entertaining to  
them

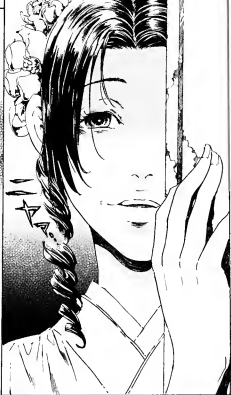

To  
attack  
Saya

One day

Miyabiko had  
someone hire  
thugs

The night before  
she was to be  
married

How brutal

Her future was  
stolen with her  
virginity

She ran  
away and  
disappeared...

Saya went  
crazy at  
home

A decomposed  
body was found  
in the forest

A few  
months  
later

While  
evil  
Miyabiko  
is on  
cloud  
nine

Marrned to a  
famous  
politican and  
admired as  
a charming  
housewife

How tragic!!

Kind Saya  
is six feet  
under

But I don't  
have time  
for this!!

Stop this!!

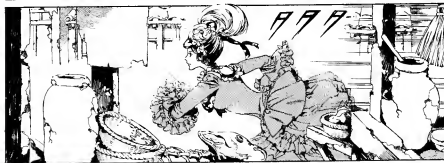

I don't know  
who you are

Stop...

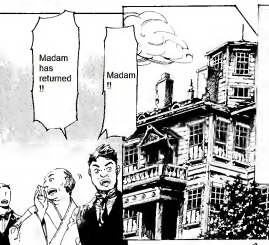

I went for a walk...

I wanted to gather my thoughts and I lost track of time

I can't tell them the truth without telling them about Ryuko...

If you must go out, please allow me to accompany you

Please don't wander around at night!

It feels warm by his side...

How strange...

Thank you...

If you have any problems, please let me help

Genuinely concerned...

He's

I'll be attending, of course

Minister Owada's wife will make her debut at the party tonight

What will you do, Madam?

But it doesn't matter

I don't know what Ryuko is up to

I'll go change

Of what I did

She has no proof

Get away with  
everything

People  
with  
power

Because  
they were  
afraid

But  
nobody  
said  
anything

Everyone  
at school  
suspected  
me

After Saya  
was attacked

Might  
is right

In this  
world

I learned that  
people will do the  
most ridiculous  
things to get  
ahead

Growing  
up in a  
prominent  
household

She's  
beautiful!!

Look!  
It's Minister  
Owada's wife

Anyway,  
Saya is  
dead and  
the dead  
tell no  
tales...

.....  
!!?

I'll have to  
introduce  
myself...

Saya!!

Why  
is she  
alive!?

Why  
is she  
here!?

Why is  
she  
alive!?

Good  
evening,  
Everyone

I'm Owada  
Akinari

Thank  
you for  
coming  
today

Her eyes are  
different...

Yet they're  
so similar!!

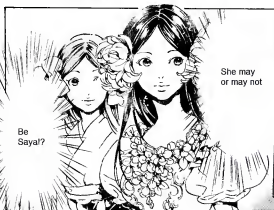

He doesn't care about social status

Minister Owada is a good man

It must have been hard

Reimei is her new name

Be Sayal?

She may or may not

That means...

Minister Owada is related to royalty and they've been good to us

Treat Reimei well

But they found her body

It can't be...

She has all  
the power!!

My name is  
Owada Reimei

Matsu  
daira...  
Miyabiko-  
san...

What do I  
do if she's  
Saya!?

What do  
I do!?

You did well,  
Miyabiko

Sure...

If I spend  
more time  
with her

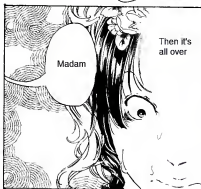

This could mean a  
promotion for me

Make sure you  
continue to treat  
Reimei well

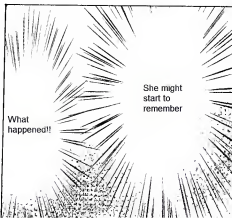

Right...

Minister Owada  
would like you  
to be friends  
with Reimei

Madam

Then it's  
all over

What  
happened!!

She might  
start to  
remember

And left  
to start a  
new life

She must  
have lost her  
memories  
from the  
trauma

I knew it  
was her  
right away

It could  
have been  
someone  
else

The body that  
was found was  
decomposed

Because  
you're the  
worse kind  
of woman

Now I'm  
here to  
threaten  
you

To get  
away with  
everything

You used  
your family  
name

Wh...

Did you think she  
would remember  
what happened?

What if I went to  
Saya and told her  
about the past?

Wh...

Your  
children  
would  
have no  
future--

He'd have  
to quit  
politics

Then  
Minister  
Owada  
would  
hate your  
husband

Tell them  
what you  
did

Get a  
divorce  
and go to  
the police

What do you  
want?

What do you  
want me to do!?

I'm  
showing  
you mercy  
by telling  
you to get  
a divorce

If you leave  
your husband  
and children  
they would be  
spared the  
shame of you  
being a criminal

That...

Meet me at the  
abandoned  
theater at six in  
the evening in  
three days

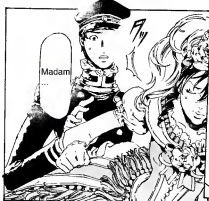

I'll give you  
some time to  
think about it

Is  
everything  
alright,  
Madam?

Wait!!

Madam

We were  
just  
gossiping  
You don't  
need to be  
concerned

You're shaking

What was that  
about?

I don't want  
to give up  
my life

What do  
I do?

I see

She appears  
to be worried

So you  
don't doubt  
the things  
you see

Your heart  
is pure

Hm?

Why aren't  
you wearing  
clothes under  
the apron?

The  
opposite  
is true

If your  
heart  
is dark

I'm not sure I  
understand...

Anyway  
...

Put some clothes on with it!

I only put the apron on because you were going to teach me how to cook...

I didn't coerce you into anything!!

You coerced me into this embarrassing situation

I refuse to live in disgrace...

That's more embarrassing!!

I didn't want to wear anything at all...

It wasn't  
that big  
a deal

Saya  
took  
things  
too far

I can't  
admit to  
being a  
criminal...

I have to do  
something  
for the sake  
of my  
children...

That's  
right

It's her  
fault this is  
happening  
to me!!

There's  
no way a  
merchant's  
daughter  
was a virgin

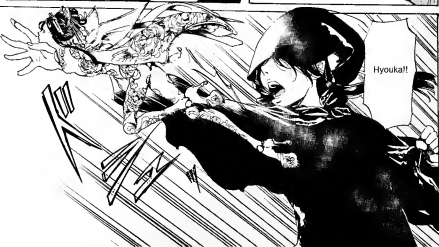

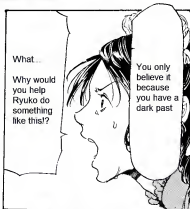

I have to  
protect my  
place in  
society!!

A doll!?

It's a good  
thing I did

I followed  
you just  
in case

Stand  
back,  
Madam!!

Officer  
!?

That means...

It's being controlled!!

There are two of them!?

Mimori!!

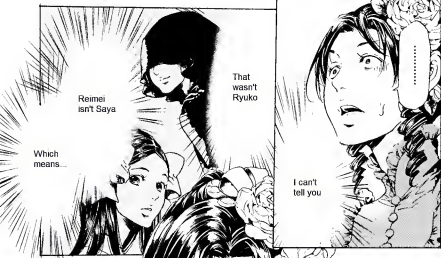

Don't waste the doll!!

Who is this officer?

How can he go against my doll!?

It's never hurt this much before

I've never cared about what I did

Yet my heart aches now....

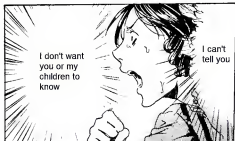

That's out of the question with my reputation at stake

I've never met  
such a good  
person before

I don't want  
you or my  
children to  
know

I can't  
tell you

No!  
It's fine!!

Everything will be  
back to normal

The people  
threatening  
me are  
gone now

The girl in the cloak had a moving doll

There's something wrong for sure

And so I was fired...

A moving doll...

But she won't let me...

I want to help her...

You really are a good person

My superiors tried to look into it...

But the politician wouldn't allow them

What?

Her problem won't go away so easily

If she's hiding a dark past

That's how it is...

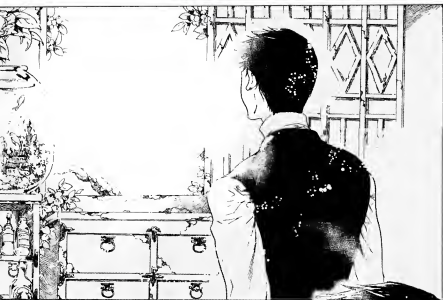

I get the feeling

I can't imagine

Shiro-kun has seen things

Hello,  
Miyabiko-  
san

I'm sorry for  
stopping by  
suddenly

It's nice of  
you to come

Please,  
this way

Thank  
you

I was  
in the  
neighbor  
hood

Reimei-  
san...

You've  
come  
to visit

That  
she is  
Saya!?

Could  
it be

Or even

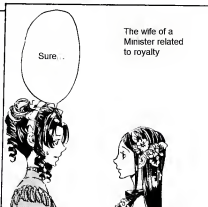

That...

Lose her  
memories?

She  
didn't

She's  
doing it to  
get close  
to me...

She's  
pretending  
to have  
forgotten

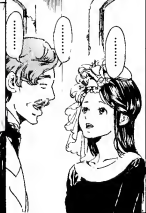

Calm  
down...

He wouldn't  
be laughing  
if she was

Is she  
telling him  
about the  
past?

What  
is she  
saying to  
him?

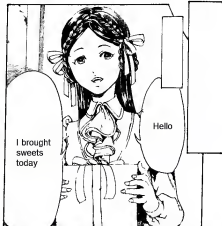

Don't  
worry  
about it

Don't  
worry

Sweets!?

Are they  
poisoned!?

I brought  
sweets  
today

Hello

Yay

Here  
you  
are

Why is she  
trying to get  
close to me?

Why is she  
doing this?

That's  
right

Saya  
had a  
mole  
behind  
her ear

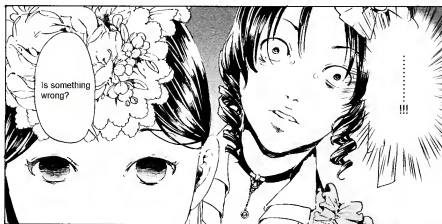

There must  
be some  
proof

Is she  
Saya  
after all?

Your  
necklace  
is twisted

I'll just  
check  
her ear!

Please  
stop...

Please...

Please  
forgive  
me!!

I...

Please  
forgive  
me...

I have  
a family  
now...

I have  
no idea  
what  
you're  
talking  
about

What  
are you  
saying?

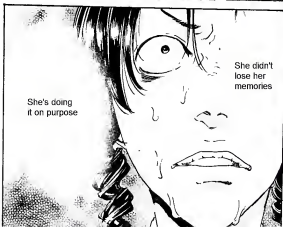

Are you  
alright?

You don't  
look well

Is everything  
alright?

You're  
acting  
strange

She's doing  
it on purpose

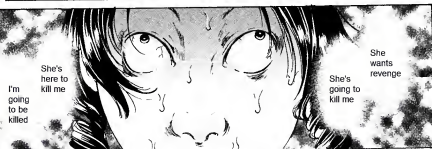

She didn't  
lose her  
memories

Are you  
alright?

To look down  
at others from  
a safe spot up  
above

I know  
what it's  
like

She  
wants  
revenge

She's  
going to  
kill me

She's  
here to  
kill me

I'm  
going  
to be  
killed

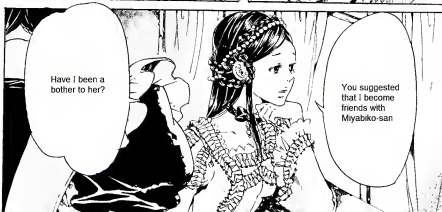

Ahhh

Help me

Ah

What do  
you think,  
Ryuko?

I'm so  
glad to  
have  
met you

I've  
never been  
happier as  
a maid of  
the Owada  
Household

Of course  
not, Reimer-  
sama

You're a  
wonderful  
person

Like your  
old friend?

Because  
I look

My  
only  
friend

Saya  
was

I was  
bullied

Yes

I realized that I  
could use you  
in my revenge  
against Miyabiko

When I  
met you

Reimei-  
sama

I met  
some  
poor  
girls

I befriended  
them

But with  
a new  
hairstyle  
you look  
just like  
her

You look  
a lot like  
Saya

Your  
eyes and  
cheeks  
are a little  
different

With a little  
work I was  
able to use  
you to  
deceive her

How  
about we  
try a new  
hairstyle  
for you?

Let's draw a  
mole behind  
your ear

They say it's  
good luck

But she  
deceived  
people

I've been  
practicing  
the plaited  
cord you  
taught me

Stupid  
woman

You're  
obviously  
not Saya

I even  
gave  
her  
time

Meet me in  
three days

They say eyes  
are the windows  
to the soul

So she expected  
to be deceived

Someone  
even  
offered to  
help her  
make  
amends

I'll help  
you

And she  
drove  
herself  
crazy

But she saw  
darkness in  
everything

My revenge  
is complete

Please  
tell me!!

It was  
Miyabiko-san,  
wasn't it!?

I'll  
never  
forget  
the day  
before  
Saya  
disapp  
eared

Don't tell my  
parents...

Who knows  
what Miyabiko-  
san's family  
would do to  
them...

Don't try to  
do anything  
about it...

There's no  
proof it was  
her

I knew  
it!!

You're  
right...

She told  
me what  
happened

Miyabiko  
didn't  
change

Even  
when  
they  
found  
her  
body

The  
next  
day  
she  
was  
gone

Please take  
care of  
yourself...

But  
actually

What a  
horrible  
person

I'll never  
forgive her

I knew  
it was  
Miyabiko

But I didn't  
try to do  
anything  
about it

With  
myself

I was  
angry

Because  
she had  
helped  
me...

Even  
though  
they  
only  
started  
to bully  
her

To help  
Saya  
when  
they  
bullied  
her

Like I  
couldn't  
bring  
myself

I'm a  
horrible  
person

I was afraid that  
they would bully  
me again...

A black and white manga-style illustration. Two young girls are jumping towards the viewer. They are wearing matching uniforms consisting of a dark, long-sleeved top with a sailor-style collar, a pleated skirt, a belt with a large circular buckle, and a peaked cap. The girl on the left has long hair in a braid and wears glasses. The girl on the right has short, dark hair. They both have joyful expressions. In the background, there are faint outlines of buildings and a bright, hazy sky. At the bottom of the frame, the heads and shoulders of two other characters are visible, looking up at the jumping girls.

And I'm  
Mimori!!

We're from  
the South's  
Girls Troop  
I'm Rarako!!

I haven't  
seen that  
uniform in  
a while

The  
South's  
Girls  
Troop...

It's been  
a long  
time...

We're  
here under  
orders from  
Anni-sama  
to bring you  
back!

When I heard about the moving doll...

I guessed that Brother had sent the Girls Troop

The red sailor uniform is a maiden's pride!!

But it stands out so we had to wear cloaks!!

It's your fault, Rarako

You got lost and dropped our wallet

You threw off our plans!!

You mean you knew we were here?

That's unexpected

You know that officer?

At least we met a nice girl who let us stay with her

You got lost, too!!

Shiro-  
sama

We're  
bringing  
you back  
with us

We've  
increased  
our speed  
to catch  
you

Don't  
under-  
estimate  
us!!

The  
South's  
Girls  
Troop

Are you  
going to  
bring me  
back by  
force?

We're only  
carrying the  
minimum in  
weapons

We've  
made  
ourselves  
lighter

What?

I'm not even wearing underwear!!

You'll have to cover yourself while you fight...

Doesn't that make it harder to move?

What an idiot...

Oh...  
Right...

I don't like him!!

He's gotten excited!!

It looks like an interesting battle is about to unfold...

I'm not that excited...

Right!!

He's supposed to be different from other men!!

He's the fickle beauty known as White Lily!!

White Lily is saying trashy things with a trashy look!!

Perhaps because you haven't grown?

In certain places...

But I'm fine with flat chests, too

White Lily doesn't say things like voluptuous bodies!!

Older women are nice, but what I like is girls with voluptuous bodies...

You're so mean!!

You like older women!!

Don't talk like that!! ☆

You exaggerate

I'm fine,

Shiro-sama even ran away

You don't have to pretend with me

Shiro-sama...

I didn't know she was waiting for me...

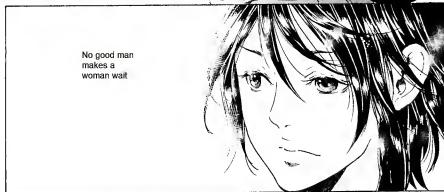

And

I'm  
putting  
them in

Brother  
even sent

Things

Isn't this better

Ah

That

Ahaha!!

What good  
are pictures of

What to do?

What are you

I came to

big boobs

What!?

I'm obviously  
better than him

things, too

Oh?

He can't put

He even tried

What?!

I was more

him!!

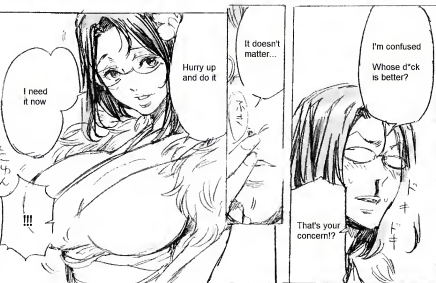

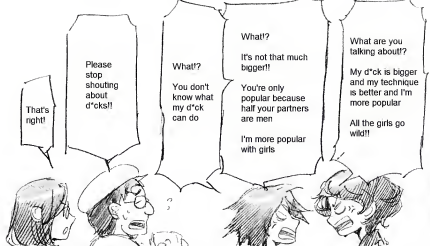

I'm so much  
better than  
him at it!!

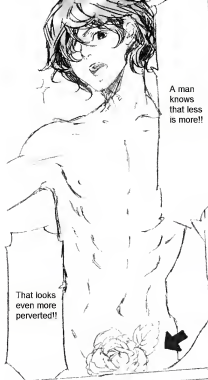

It's gone now!!

It's a miracle that  
someone as popular

gotten infected once!!

I'm way better than  
him at it!!

A man

perverted!!

I'll be

Could you

Of course

You're

Wait...

The amazing  
something  
isn't petting  
a cat, is it!?

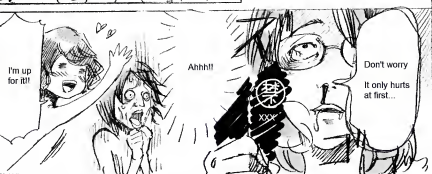

Of  
course  
not

Perhaps we  
should move to
